

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF LOUISVILLE GAS AND )  
ELECTRIC COMPANY FOR AN ADJUSTMENT ) CASE NO. 2014-00372  
OF ITS ELECTRIC AND GAS RATES )

ORDER

On February 20, 2015, Louisville Gas and Electric Company ("LG&E") moved, pursuant to 807 KAR 5:001, Section 13, and KRS 61.878(1), that certain materials filed with the Commission be afforded confidential treatment and not be placed in the public record subject to public inspection.

In support of its motion, LG&E states that the information it is requesting to be held confidential is contained in its responses to the Kentucky School Boards Association's ("KSBA") Supplemental Request for Information, Items 1 and 4. The information in LG&E's response to Item 1 includes peak-day load profiles for rate schedules GS, AES, PS-sec, and TODS recorded in the last five years. Information contained in LG&E's response to Item 4 includes individual customer names and account numbers.

Having carefully considered the motion and the materials at issue, the Commission finds that:

1. The materials for which LG&E seeks confidential treatment meet the criteria for confidential treatment and are exempted from public disclosure pursuant to KRS 61.878(1)(a) and 807 KAR 5:001, Section 13.

2. The materials for which LG&E seeks confidential treatment should not be placed in the public record or be made available for inspection for an indefinite period of time, or until further Orders of this Commission.

IT IS THEREFORE ORDERED that:

1. LG&E's motion for confidential protection for its responses to KSBA's Supplemental Requests for Information, Items 1 and 4, is granted.

2. Pursuant to KRS 61.878, the information for which LG&E requests confidential protection shall not be placed in the public record or made available for public inspection for an indefinite period of time, or until further Order of this Commission.

3. Use of the materials in question in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9).

4. LG&E shall inform the Commission if the materials in question become publicly available or no longer qualify for confidential treatment.

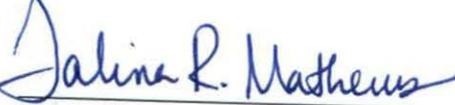

5. If a non-party to this proceeding requests to inspect materials granted confidential treatment by this Order, LG&E shall have 20 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If LG&E is unable to make such demonstration, the requested materials shall be made available for inspection.

6. The Commission shall not make the requested materials available for inspection for 20 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow LG&E to seek a remedy afforded by law.

By the Commission
